Flower Mound's Town Council unanimously approved a site plan for a Chase Bank branch location at 4081 Bruton Orand Blvd. at Monday's meeting.

The Chase Bank branch will be built in the Cross Timbers Village development, which will be anchored by a Tom Thumb grocery store. The retail development is located between the Wellington and Bridlewood residential subdivisions.

The site plan depicts the building having four teller lanes, one automated teller machine lane and 51 parking spots. Entry point to the bank will be from both Cross Timbers Road [FM 1171] and Bruton Orand Blvd.
