

Dallas 100

Co-founded by the Caruth Institute for Entrepreneurship in 1990, the Dallas 100™ Awards is an annual event that identifies and honors the 100 fastest-growing privately held companies in the Dallas area. To qualify for the Dallas 100™, a company must meet a number of criteria based on its legal status, location, sales history, credit report, and character.

The unsung heroes of our economy are the entrepreneurs who build their own businesses and create jobs as fast as large companies eliminate them. While entrepreneurs are the engines of growth in our economy, they often go unrecognized.
