New Restaurants Approved

No more driving to Lewisville to get a bite to eat. Town council members approved Monday three restaurants and private clubs, including Prince Bistro, Pollo Salsa Restaurant and Point After North.

Prince Bistro and Pollo Salsa restaurant will be located within the Pines of Flower Mound shopping center at the southwest corner of Flower Mound and Gerault roads.

“Combined with the other entity, we now have a destination,” Mayor Jody Smith said.

According to town documents, Pollo Salsa will be a “fast casual upscale Mexican restaurant featuring grilled chicken as its main entrée. It will also feature a 1,700 square foot outdoor patio.

Pollo Salas has been in existence for 20 years and has four other Dallas locations.

The sports bar and grill Point After North will be located at 601 Cross Timbers Road. The private club has operated for several years but has changed owners this past February. New owner, Slammed Enterprises, LLC will continue operating as a sports bar and grill.
