Cotton group leases warehouse near D/FW

FLOWER MOUND — Lubbock-based Plains Cotton Cooperative Association, one of the nation's largest cotton handlers, has leased 650,000 square feet of distribution space at a facility north of Dallas/Fort Worth Airport owned by ProLogis. The cooperative, which represents more than 25,000 cotton farmers across Texas, Kansas and Oklahoma, will use the facility for distribution of refined cotton to manufacturers and other customers around the world, ProLogis said. ProLogis completed construction of the facility at 951 Garden Ridge Blvd. this year.
