

P&Z OKs Marcus Ninth Grade Campus First Phase

By Adrian Mccandless

Staff Writer

The Flower Mound Planning and Zoning commissioners unanimously approved a site plan for Phase 1 for the Marcus Ninth-Grade Center to be located at 2800 Dixon Lane.

Included will be: a varsity baseball field; a soccer and football practice field, with a competitive track around the outside; concession stands; restrooms; storage buildings; and 123 parking spaces.

Access to the site will be from Dixon Lane, with a gated, secondary entrance for emergency access only on the northeast corner of the property off Russwood Drive.

Anticipated Phase 1 completion is this August. Phase 2 will include the actual school building with an anticipated completion in 2013.
