NOTICE

This authorization to construct an on-site sewage facility in the Town of Flower Mound will be valid for 365 days from the date of issuance. Should a construction inspection not be requested during this one-year period, the application for authorization shall be rendered invalid.

I hereby certified that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not.

Authorization is hereby given to the Town of Flower Mound to enter upon the above-described property for the purpose of lot evaluation and inspection of on-site sewage facility. A permit to operate the facility will be granted following successful inspection of the installed system which indicates that the system was installed in compliance with the standards set forth by the Town of Flower Mound and the Texas Commission on Environmental Quality, "On-site Sewage Facility RULES," June 2001 publication, TAC 30, Chapter 285.

THIS AREA FOR OFFICE USE ONLY

This serves to notify all persons that the on-site sewage facility application and related technical data have been reviewed against the standards set forth by the Town of Flower Mound and the Texas Commission on Environmental Quality (TCEQ) "On-site Sewage Facility RULES", June 2001 publication, TAC 30 Chapter 285. The plans (substantially) meet the minimum requirements of the "RULES" governing on-site sewage facilities. Approval is hereby granted for the construction shown on the submitted plans. Oversights and errors in plans DO NOT relieve the installer and all contractors of the responsibility of complying with all regulations and laws in effect at the time of issuance.
