Volunteering can be a rewarding experience. It is an opportunity to make a difference within your own community. Your skills and talents will be put to good use by meeting the Town's mission and objectives. Town Departments that use volunteers say that their volunteers have made very important contributions and are an "invaluable resource."

If you would like an opportunity to shine within this community, please contact the VIP Coordinator at 972-874-6011. We look forward to meeting you.
