

HOMEOWNERS ASSOCIATION
UPDATE INFORMATION

Homeowners' Association President:

The Flower Mound Police Department is in the process of developing a new method of communicating critical incident information to each HOA. Please fill out the following blanks with the understanding that this will be public information listed on the town's website. The email address listed only has to be to an individual designated to relay released information to the residents under their respective association.

The Town of Flower Mound is not responsible for making sure that each designee's email address does not automatically forward the critical incident releases to a junk mail file. All residents are solely responsible for making sure their respective association has provided the Town of Flower Mound with the correct information. Please send this letter to me at the following location by whatever means you prefer.

Sincerely,

Justin Buck
