Effective March 16, 2020, Texas Governor Abbott suspended certain Open Meeting rules to allow telephonic or video conference meetings of government bodies that are accessible to the public to decrease large groups of people from assembling. The suspension temporarily removes the requirement that government officials and members of the public be physically present at a meeting location. The Town of Flower Mound Environmental Conservation Commission meetings will be temporarily held via video conference. A recording of the meeting will be available the following day at <https://www.flowermound.com/fmtv>, look for the "Other Meetings Archive" menu.
