J. COORDINATION OF CALENDARS AND FUTURE AGENDAS/MEETINGS

K. ADJOURN REGULAR MEETING

President Smith adjourned the meeting at 8:32 P.M. on Thursday, May 9, 2019.

TOWN OF FLOWER MOUND, TEXAS

______________________________________________
President

ATTEST:

______________________________________________
Secretary
DATE: June 30, 2020
FROM: Chuck Jennings; Director of Parks and Recreation Services
ITEM: Public Hearing and action to approve funding for Park and Trail Operations and Maintenance, Park and Trail Amenities, Twin Coves Park Debt Service, Jake’s Hilltop Park Scoreboard Additions, Heritage Park Improvements, Grand Park Playground Replacement and Improvements, Peters Colony Memorial Park Construction, Tennis Center Feasibility Study and Town Lake East Park Property Master Plan using 4B sales tax revenues in the FY 2020-2021 CIP. (The Parks Board recommended approval of these projects by a vote of 6 to 0 at its June 4, 2020 meeting.)

Background Information: The Development Corporation Act of 1979 Sec. 4B(a)(3)(a-2) authorizes the expenditure of 4B Sales Tax funds for the design, construction, maintenance and operation costs associated with park projects funded by the Community Development Corporation (CDC). The Parks Board is responsible for recommending projects to be funded by the CDC.

On June 4, 2020, the Parks Board recommended funding of the following project for FY20-21:
- Jake’s Hilltop Parks Scoreboard Additions $100,000
- Heritage Park Improvements $700,000
- Playground Replacements (Grand Park Improvements) $350,000
- Peters Colony Memorial Park - Construction $1,850,000
- Tennis Center Feasibility Study $50,000
- Town Lake East Park Property Master Plan $100,000
Total: $3,200,000

The CDC has directed staff to include the annual operation and maintenance (O&M) costs associated with the development of new park projects beginning in 2012. Currently, the CDC is funding all or some of the operation and maintenance of the following: Heritage Park, Bakersfield Park, Gerault Park, Post Oak Park, and various trail sections.

The annual Park and Trail Amenities include additions and/or replacements of items such as trash receptacles, pet waste stations, benches, etc. This is an ongoing expenditure to keep our parks and trails in good condition, replace worn units, and to respond to citizen requests.

In 2014, the CDC approved funding the debt service for construction of Twin Coves Park. The bonds were sold in April of 2015. The debt service for FY 2020 - 2021 is $272,300.

Ongoing expenses:
- Twin Coves Debt Service $272,300
- Parks & Trail O&M $250,000
- Park and Trail Amenities $50,000
Subtotal: $572,300

Total funding requested $3,722,300

Alternatives/Options: N/A
Fiscal Impact:

**Proposed Expenditure:** $3,722,300  
**Account Number(s):** 317-various

DATE: June 30, 2020  
FROM: Chuck Jennings, Director of Parks and Recreation  
ITEM: Public Hearing and action to consider the approval of an amendment to the fiscal year 2019-2020 Capital Improvement Plan, increasing funding in the amount of $600,000, for Rheudasil Park Improvements, using 4B sales tax revenues.

Background Information: The Development Corporation Act of 1979 Sec. 4B(a)(3)(a-2) authorizes the expenditure of 4B Sales Tax funds for the design, construction, maintenance and operation costs associated with park projects funded by the Community Development Corporation (CDC). The Parks Board is responsible for recommending projects to be funded by the CDC.

On April 4, 2019, the Parks Board recommended funding of the following projects for FY19-20 and the CDC approved on May 9, 2019:

- Bakersfield Park - Enhancements $ 150,000
- Lightning Detection System Replacement $ 90,000
- Playground Replacements (Chinn Chapel & Pecan Orchard) $ 350,000
- Peters Colony Memorial Park - Design $ 150,000
- Trails Master Plan $ 300,000
- Rheudasil Park Improvements $1,600,000

Total: $2,640,000

The Town received 10 bids for the Rheudasil Park Improvements project on January 29, 2020. The total budget for this project including design and construction is $2,000,000. The Town decided to reject all bids as they all came in over budget and will re-bid later in the fiscal year. The additional $600,000 will help ensure the Town has enough funds to cover the base bid, testing, mobilization, overhead and profit, and project contingency. Staff believes the additional funding will also allow for the construction of the boardwalk and additional enhanced landscaping. The boardwalk and associated lighting will be listed as bid alternates and can be accepted if funding allows.

The higher than expected project costs were mainly due to increased labor and material costs which correlates to the amount of custom work required for this project. The consultant provided the Town with an opinion of probable construction costs and found that the robust construction demand and uncertainty made pricing the project difficult. Utilizing the bids from the January, the Town and consultant feel confident the additional funds will provide the necessary capital to complete the project. The bidding process has also been modified to include a long, detailed list of quantities for the project which should give general contractors confidence to bid more tightly.

Alternatives/Options: Not approve the additional funding and ask staff to remove the boardwalk, enhanced landscaping, and other smaller elements that could be constructed at a later date.
Fiscal Impact:

**Proposed Expenditure:** $600,000  **Account Number(s):** 317-Various
