**NAYS:** None

**2. Staff Report**

Member Hastings explained that there is no activity report due to COVID-19. She updated the board about Clear the Shelter and some of the changes being made to the process.

### **3. TNR Program**

Member Hastings explained to the board what a TNR program is and talked about the Town ordinances on loose cats and why there is not a TNR program available in Flower Mound. Member Schroeder Brown asked if Animal Services keeps the stray cats at the shelter that are trapped to see if they can be adopted. Member Hastings explained that yes, they are held for 5 days and placed for adoption if they are adoptable. The Adoption Center works with programs such as Barn Cats to try to place the cats that are more feral when possible.

### **4. Adoption Process**

Member Hastings reviewed the adoption process at the Flower Mound Animal Adoption Center

### **5. Humane Tomorrow Update**

Member Hastings announced that all activities and events offered by Humane Tomorrow are on their website [Humanetomorrow.org](http://Humanetomorrow.org).

Member Hastings briefly talked to the board about the types of calls they are seeing. She explained that due to COVID-19 in the beginning, Animal Services saw an increase in loose dog calls and bites. More people were home but were not used to managing the need to keep gates and doors closed. Animal Services then saw a decrease in the number of bites as residents got used to these issues. Animal Services has seen an increase in wildlife calls. The wildlife itself has not increased, but more people are home to see them, so their number of wildlife calls has gone up.

The next Animal Services Board Regular meeting is TBD.

### **F. FUTURE AGENDA ITEMS**

None at this time.
