

## CAC Birthday Party FAQ

**Q. How long do I have in the party area?**

A. You have 1-hour in the party area.

**Q. Can I leave my belongings, presents, cake, food, etc. in the party area while I swim?**

A. No. The area must be cleared at the end of your scheduled time so that we can prepare for the next party.

**Q. What if there is no party after mine, can I leave my belongings in the area then?**

A. If you are outside at a shade structure, once we have cleared the shade pavilion that area reverts back to a first come, first serve area unless it has been booked through the CAC. If you wish to remain there, you can. The inside party room will be locked once the party host has finished with the last party, so you will still need to remove your belongings from this area.

**Q. How long can my guests swim for?**

A. Guests of the party have a swim pass for the entire day. They can come before your scheduled party time and stay after the hour has been completed.

**Q. Can my cake be placed back in the fridge while I swim so I can collect it later?**

A. No. Our party hosts will either be busy getting ready for the next party, or cleaning up to leave and are only scheduled to help your party for the one hour. If you do not wish to take your cake with you, we will be happy to dispose of it for you.

**Q. Do guests' additional parents and siblings have to pay?**

A. Yes. Each guest who is on the guest list can bring one parent. Any extra parents or siblings who also want to come in to swim must pay at the Front Desk. If you want any extra siblings to also receive cake, ice cream, and favors, they must be listed as a guest. Guests over 16 will be charged as extra.

**Q. When do I need to return my guest list?**

A. We request that you return your guest list at a minimum of 3 days before your party

**Q. How late can I add more than the 16 guests to my party?**

A. We require at least 3 days notice to add more guests to your party.

**Q. What if not all my guests have RSVP'd?**

A. We still require your guest list at a minimum of 3 days prior to your party. You may go ahead and place all of your names on the list (even if they haven't RSVP'd). You will not be charged any extra unless more than 16 guests are in attendance.

**Q. Where is your pizza from and what pizza toppings can I order?**

A. We order our pizza from Dominos. Topping choices are pepperoni, cheese, or sausage.

**Q. How late can I add extra pizza?**

A. We require 5 business days to order any extra pizza.

**Q. Where do you get your cakes from, and can I get a custom cake?**

A. We order our cakes from Sam's. Cake theme upgrades are dependent on availability and licensing arrangements at Sam's.
