

A Conversation with the Old-Timers: A Flower Mound Love Story Thursday, February 14 at 7 p.m.

Gangsters. Threatened land grabs by neighboring cities. Retail store moguls and international fashion designers. Explosive growth. All of these are part of Flower Mound's history. Who better to regale us with stories of the town's colorful past than those whose families lived through it? Get comfy and enjoy light refreshments in our "living room" as we hear tales of days gone by straight from some of the town's founding members. Penny Rheudasil Glover, Ron Hilliard, and Bill Bradford will talk with local historian Mark Glover in an informal setting designed to bring out the juicy stories. Is there something you've always wondered about Flower Mound's past? Come prepared with your own questions for Penny, Ron, Bill, and Mark.
