

# Top 100 Plants for North Texas

**Monday, March 18  
6:30-8:30 p.m.**

Are you a “Native Texan” or a transplant? Plants can be native or transplants too! Create a lush and vibrant landscape with our favorite “Top 100” native and adapted plants, ideal for your North Texas landscape. You’ll also learn proper soil preparation, proper planting, how to choose the right plant for the right place as well as tips to keep your plants beautiful and healthy year-round.

This program is presented by the Texas A&M AgriLife Research and Extension Center at Dallas and sponsored by the Upper Trinity Regional Water District.
