- If your child requires any prescribed medication to be taken during camp hours, please list it on the Camp Medical Form and sign the bottom of the form, giving counselors permission to administer the medication.

### Inappropriate Dress:

Sandals, Heelys, heels

Dresses/Skirts

If your child is not properly dressed for camp you will be notified and they will be unable to participate in camp activities.

## Discipline Policy

Camp will operate on a "3-Strike" system of discipline:

- Strike 1: Your student will be given a strike if they receive 2 behavior reports.
- Strike 2: Your student will be given another strike if they receive 5 behavior reports.
  - o The camper will also be put on probation.
- Strike 3: Your camper will be given the final strike after they receive 6 behavior reports.
  - o This is grounds for dismissal and requires a conference with the Programs Supervisor.

### Discipline, Probation, and Dismissal

The Town of Flower Mound FloMo Camp follows the same discipline plan used district-wide. Behavior standards for the children will be the same as a regular school day. All participants are expected to follow

the guidelines specified in the Town of Flower Mound FloMo Camp Code of Conduct. The children will know what behavior is expected, as well as the rewards and consequences of their behavior choices.

Every attempt will be made by the staff to work in cooperation with the parents to solve discipline problems. Any discipline issues will be addressed by Explorer Camp staff. **At no time may a parent approach or confront a child, other than his or her own child, with respect to disciplinary issues or other interpersonal matters.** In addition, altercations between parents are strictly prohibited at The Town of Flower Mound Community Activity Center, including parking lots.

A child's behavior may be observed by the Town of Flower Mound Camp Director and the administrative staff. Any behavior that hinders the smooth operation of the FloMo Camp program could lead to probation or dismissal from the program. Such behaviors may include, but are not limited to: disrespect, defiance, harassment, emotional outbursts, running away, threats, and/or any physical aggression toward other campers or staff. If a child's behavior interferes with the operation of Explorer Camp, parents will be contacted and asked to pick up their child immediately. Repeated inability to meet appropriate behavior standards will result in dismissal from the program.

### **Probation**

Children may be placed on probation by the Camp Director, Programs Coordinator, or Programs Supervisor, following five or more severe behavior incidents as mentioned above. Children placed on probation will remain in the program with the understanding that any additional behavior problems during duration of camp may result in removal from the program.

**\*A child placed on probation will remain on probation through the end of camp\***

### **Dismissal**

Severe behavior incidents may result in dismissal from the program, whether a student has been placed on probation or not. Students who have been dismissed from FloMo Camp may not be allowed to re-enroll for the next camp. This will depend on the nature of the behavioral problems and will be at the discretion of the Camp Director, Programs Coordinator, and Programs Supervisor. Parents and camper will be required to have a conference with the Programs Supervisor. Explorer Camp will provide a full refund to parents if their child is dismissed from the program.

**\*Parents and guardians are expected to help maintain a family friendly atmosphere by showing courtesy and respect to all other parents, campers, and staff. In extreme cases, a camper may be removed from the program due to continually disruptive behavior by a parent.\***

## **Electronics and Phone Use**

Campers may use electronic devices during approved times only. Electronic devices must be kept on silent and cannot be a distraction for other campers.

Camp staff assumes no responsibility for lost, broken, or stolen electronics. Electronics are for personal use only and may not be shared with other campers unless it is a sibling.

Any misuse of electronics, such as using them during an unapproved time, causing distraction, sharing, accessing the Internet or inappropriate material as determined by camp staff, cyber-bullying, etc. will lead to disciplinary action, up to and including dismissal from the program.

**Please note, camp is a great opportunity to teach kids self-reliance and independence. Parents are asked to drop off campers and refrain from interacting with their children continually throughout the day.**

### **Camp Cell Phone**

The camp cell phone is reserved for staff contact with parents due to an emergency or any need for communication.

## **Swim Test**

Explorer campers will swim at the CAC each week on Tuesday and Friday. Adventure campers will swim at the CAC each week on Tuesday and Thursday. Campers will have access to the indoor and outdoor pool.

Before campers are allowed to swim they must take a swim test. Campers must swim, without stopping, the length of a swimming lane. CAC Lifeguards will be in the pool with the campers. The swim test is supervised by the Camp Director and the Aquatics Coordinator or Supervisor. Campers who do not pass the swim test **MUST** wear a life jacket, or they are not allowed to swim.

## Camp Discipline:

### 3-Strike Rule Explanations

Discipline is teaching children appropriate behavior, not punishing. Therefore, camp staff will use a three-strike system.

- **Strike 1:** Camper receives 2 behavior reports.
- **Strike 2:** Camper receives 5 behavior reports. Camper will be placed on probation.
- **Strike 3:** Camper receives 6 behavior reports. Terms for dismissal and required conference with Programs Supervisor.

*\*The only exception to the three-strike rule is a physical altercation. There is ZERO TOLERANCE for fighting, kicking, biting, or hitting. There will be immediate time-out and parents will be notified of each event. If a physical altercation occurs, the Programs Coordinator will notify the parent immediately to have the child removed from camp.*

If you have any questions or concerns about our 3-strike rule, please contact the Programs Coordinator at the information listed below:
