¹ The time between initial submittal (not on this chart) and DRC Approval Cutoff date depends on the application type, complexity of the project, and the applicant submitting timely revisions that address DRC's comments.

² Please be aware that any application requiring a recommendation from ECC, Parks, or the Transportation Committee must receive that recommendation prior to the listed PZ Meeting date.

³ If the Planning & Zoning Commission recommends denial of a project, the applicant must notify staff whether they still want to continue on to the next Town Council meeting, if they want to take some time to make adjustments to their project, or if they would like to request a partial refund of their application fees.
