

Street Maintenance Dedicated Sales Tax Reauthorization Election

Election Day: Nov. 5, 2019 • 7 AM - 7 PM

In November 2007, voters approved four one-quarter cents of sales tax be dedicated for parks and recreation, street maintenance, crime control, and fire control. While the parks and recreation one-quarter cent sales tax does not require voter reauthorization, the street maintenance, crime control, and fire control one-quarter sales tax measures need to be periodically re-authorized by voters, per law. In 2011 and 2015, the street maintenance dedicated sales tax was subsequently reauthorized by voters.

In August 2019, the Town Council called an election for Flower Mound voters to once again consider the four-year reauthorization of the street maintenance sales tax. This dedicated street maintenance sales tax pays for the reconstruction and rehabilitation of Flower Mound roadways.
