

FLOWER MOUND TREE RECOGNITION PROGRAM

CALLING ALL TREE LOVERS!

Tell us about your trees!

If you own or know about a special tree located on private property in the Town of Flower Mound that you feel deserves recognition — we'd love to hear about it!

The Town of Flower Mound is starting a Tree Recognition Program to honor special trees throughout the Town, and we need your help to find them.

Nominations will be accepted from April through July. Awards will be given out at the first Town Council meeting in November, in association with The Town's Arbor Day Proclamation.

*** Large * Historic * Unique / Rare ***

Please contact the Environmental Services Department if you have any questions or comments, or for additional information. ▶▶▶

TOWN OF FLOWER MOUND

TREE RECOGNITION PROGRAM

General Description

Flower Mound's Tree Recognition Program is designed to raise awareness about the importance of trees in our community, promote proper tree care and good tree health, increase community involvement and pride in these wonderful natural resources, and recognize those who own and care for significant trees in Flower Mound.

Each year, associated with Arbor Day (celebrated in November), Flower Mound will recognize one or more significant trees in Town. Significant can mean a lot of things, and a tree doesn't necessarily have to be large to be significant.

Eligibility Requirements

In order to qualify for recognition, the tree must fall into one or more of the following categories.

Large. - The tree should be large for its species (perhaps the largest of its kind in the neighborhood, Town, region, etc.). There are 3 components that make up the size of a tree. The diameter of the trunk at 4.5 feet above ground level, the height of the tree, and the average spread of the canopy.

Historic. - The tree is associated with a historic event, is located where a notable activity occurred, has documented history in the community (old photographs, etc.), or was considered a well-known landmark in the area prior to incorporation of the Town.

Unique / Rare. - The tree is a nice specimen of a species that is unusual to this area.

All trees nominated for this program should be well maintained, in good overall condition / health, and be located in an area that is accessible for review. A tree will only be considered after it is confirmed that the property owner is willing to participate in the program and allow access to the property / tree for inspection.

Nomination Procedure

To nominate a tree for consideration, fill out the following form and return it to the Environmental Services Department using the contact information provided on the Nomination Form. Nominations will be accepted from April through July. Trees nominated for consideration will be reviewed by the Town's Arborist, and members of the Environmental Conservation Commission. Owners of selected trees will be notified of their awards by October 1. Awards will be given out at the first Town Council Meeting in November, in association with the Town's Arbor Day Celebration, which occurs in Flower Mound on the first Friday in November, annually.
